Annual Alumni Weekend

March 28-29, 2014
The UGA CE+D Alumni Association Steering Committee invites you to join us along with students, faculty and staff to celebrate our college’s roots and to applaud its accomplishments. Each year, your alumni committee works hard to plan this important weekend to inspire, educate, and reconnect with you. CEDAA is about networking with our alumni, no matter their profession, in collaborative fun and fellowship.

The Annual Alumni Weekend, to be held this year on March 28 & 29, will feature Environmental Ethics with Wes Jackson, founder of The Land Institute; reminiscing with Faculty as we bid Bill Ramsey a fond farewell; and rejuvenating our love of the outdoors with Vince Dooley and his garden. The first Faculty and Alumni Art Show and the 75th anniversary celebration of the Founders Memorial Garden add more fun. Personally, I am eagerly awaiting the chance to see the rediscovered College Tribute film that was created for the 60th Anniversary in 1988 featuring none other than Hubert B. Owens and a cast of other familiar faces.

Most of us will take advantage of any excuse to return to our beloved North Campus in Athens. Visiting in the spring when the landscape comes alive with colors, fragrances, and friendly faces only makes it harder to resist! So come and enjoy the benefits of being an alumnus of this great college. As always, Alumni Weekend will provide a couple of days away from the grind with fun, learning and nostalgia. The food is delicious, the conversations stimulating, and the unveiling of this year’s signature “Hubert’s Garden Grog” cocktail promises to be memorable. Please join the crowd and add a spring visit to Athens on your calendar this March.

Warm Regards,
